

There are some basic schemes of certification:

- **Schemes №3, 3a «On a serial production» or «on the manufacturer» (can be from 1 to 3 years).**
- **Scheme №2 «On a contract», it stipulates for production imported by parties during the certain period, 1-2 years or for the quantity certain by the contract (contract),**
- **«On a party» (№7) more usual**
- **Scheme №9 «On small parties». It stipulates for individual product samples**

Necessary documents for each scheme:
